

Fire Warden Training - a short briefing

Course overview

This course gives basic advice and information as well as giving practical experience of using fire extinguishers, in order to give the necessary confidence to use them in a real situation.

The sessions will cover:

- basic fire awareness i.e. how fires develop
- fire precautions
- the role of fire wardens
- the School's procedures for fire
- a practical demonstration of how fire extinguishers work

Aimed at

This course is aimed primarily at Fire Wardens, but is open to all staff who wish to learn about fire extinguishers.

Additional Information

Fire Wardens receive an extra day off in lieu per year, which they are eligible to take once they have been undertaking the role for six months.
